

Rosemary & Garlic Roasted Almonds (Appetizers)

2 cups raw almonds
1 Tbsp. butter, melted
1 Tbsp. Halladay's Roasted Garlic & Rosemary Seasoning
1/2 tsp. salt

Preheat oven to 350°F. Arrange almonds in a single layer on a baking sheet. Bake 5 minutes, stir and bake another 3-5 minutes, until lightly toasted, being careful not to burn. Combine butter, seasoning and salt; toss with almonds while still hot. Serve warm.
