

Broccoli Cheddar Soup (Soups & Salads)

3 cups water

1 package Halladay's Broccoli Cheddar Soup Mix

1 cup half & half or milk

Whisk together water and package contents, bring to a boil. Reduce heat and simmer for 10-15 minutes. Add half & half. For a richer soup, add shredded cheddar cheese, broccoli, ham or bacon. Serve in a small soup crock or in a loaf of bread, hollowed out as a bowl.
