

Cranberry Oatmeal Pancakes (Crowd Favorites, Brunch)

1 ½ cups Halladay's Harvest Barn Buttermilk Pancake Mix
1 cup Buttermilk
1 large egg
2 Tbsp Vegetable Oil for cooking

Gently mix pancake mix, egg, and milk

Gently fold in additional ingredients:

Extra ½ cup of milk
1 cup of oatmeal
½ cup dried cranberries or 1 cup fresh chopped cranberries

Don't overmix your batter. It's okay to have a few lumps. As you stir gluten develops and that makes for tough pancakes. Let the batter sit for 3 to 5 minutes before cooking. You can make your batter up to 24 hours ahead. It may need to be thinned a bit if it sits. You need even heat; not too high, not too low. Once your pan is evenly heated to the correct temperature your pancakes will be perfect.
