

**Maple Pecan Cheesecake** (Desserts)

- 1 Tbsp butter
- 2 Tbsp sugar
- 1 cup pecans, roughly chopped
- 1 package Halladay's Maple Cheesecake Mix
- 1 (8 oz) package cream cheese, softened
- 1 (8 oz) container Cool Whip, defrosted
- 1 prepared graham cracker crust

Melt butter in sauté pan; add sugar and pecans, cook over low heat for a couple of minutes, until nuts are slightly crisp, being careful not to burn them. Set aside and let cool.

Blend softened cream cheese together with Maple Cheesecake Mix, then fold in the Cool Whip. Pour into prepared pie shell, top with cooled Pecans. Chill at least one hour before serving.
