

**Tomato Basil Feta Pasta** (Sides)

8 oz block of feta cheese  
2 pints cherry tomatoes, halved  
2 Tbs olive oil  
1 Tbs Halladay's Garlic Tomato Basil seasoning  
16 oz pasta of choice

Preheat oven 400 degrees. Cook pasta according to package directions. Reserve about a cup of pasta water. While the pasta is cooking, place the block of feta in the middle of a medium baking dish. Surround the feta with cherry tomatoes. Drizzle cheese and tomatoes with olive oil, then sprinkle with Halladay's seasoning. Roast for about 30 minutes, or until cheese is melted and the tomatoes are soft.

Pour cooked pasta over cheese and tomato mixture. Add reserved pasta water, if needed. Mix well to combine all ingredients; serve immediately.
